At Attorney Assistant, we place virtual, full-time legal staff exclusively for law firms. Free up time to focus on what you do best: practicing law.

Our law firm virtual assistants are vetted professionals who remotely offer administrative and legal support services.

Our team is ready to make your life easier.

”

I cannot believe how much of my time has been freed up as a business owner. I actually have time to put more care into my clients and be more personable with them, despite running around from courthouse to courthouse. I'm able to get things done that I was not able to do before!
